RE: APPRECIATION DINNER

Dear Friends of LARC,

On Thursday evening, March 12, Governor Pritzker held a press conference regarding the status of COVID-19 in Illinois. He announced a mandate through May 1, calling for the cancellation of private and public events with an attendance of 1000 or more, and strongly urging the same for events with an attendance of 250 or more.

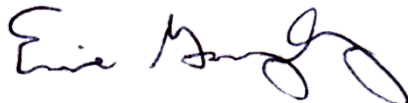

LARC shares a very strong sense of responsibility to its clients, staff, families, donors, volunteers and the community at large. As a result, we will be rescheduling our Appreciation Dinner, which was to be held on Friday, April 24.

We ask your patience at this time, as our new date will not be rescheduled and announced until we are certain it is safe to do so. Those who have already made their reservations may contact us for an immediate refund, or may do so following the announcement of our new date, should they not be available.

For those of you submitting ad book sponsorships and in-kind donations for our Silent Auction, please continue to send them in. We will be postponing the Diamond Raffle drawing to be held in concurrence with our new date. For those interested, these raffle tickets will remain on sale.

If you have any questions, please contact our Development Office at (708) 474-1540, or send an email to info@larclansing.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Ernie Gonzalez", with a stylized flourish at the end.

Ernie Gonzalez
Executive Director
